- c. Association with University of Mumbai and PTVA Institute of Management for Conference with Research Publications in UGC-CARE Journal and special edition of research journal for MCA Sem VI students
- d. In spite of the lockdown conditions and work from home in pandemic situation, the quality improvement of the institution continued with the strong support of management, Director and all staff members of the institute. We continue our journey together towards paving the path for quality enrichment and sustenance to provide future leaders to India Inc.

2. Quality Initiatives at Institute:

a. Curriculum Development & Teaching- Learning Activities:

- Add-on Courses and Certificate Courses such as Python Programming, Digital Marketing, Advanced Excel and R Programming are conducted in 2019-20.
- Faculty members have been sent for STTPs, AICTE ATAL FDPs, certification programs for update in their knowledge enhancement.
- Regular mentoring sessions to strengthen the bonds of students with their teachers.
- Adherence to Academic Calendar to chalk out the timelines and schedule of co-curricular and extra-curricular activities. This is channelized by the respective departments to facilitate smooth conduction and implementation of these activities.

- Implementation of online teaching learning environment
- As one of the green initiative, The soft copy of MCA practicals is generated in last semester and well-accepted by external examiner.
- Lockdown Period - As per the directives of the University of Mumbai, work from home guidelines were issued from mid-March. Accordingly, the teachers and non-teaching staff have been engaging in various academic & administrative pursuits and the details were being conveyed to the institute authorities on a regular basis. Online lectures and practicals are getting conducted in lockdown period on the platform of Microsoft Teams. All students have received their registered mail ids of despune.org. Teachers, non-teaching staff & students also attended and participated in many Webinars and Development programmes during this period. Webinars were also organised by our teachers for the benefit of our students, teaching community & different stakeholders of the society. The details of the same is enlisted below. The members of the IQAC have been discussing and working on the IQAC report for the academic year 2019-20, and working parallelly with the NBA committee before and after the lockdown period. From March 2020, this was also an opportunity for teachers to get acquainted with the online platform and continue the academic activities in collaboration with each other.
