

## Report on Inter & Intra College Sports and Cultural Competitions- 2019-20

Every year NMITD organizes many sports and cultural inter- collegiate competitions as part of its mega annual social festival titled Roobaroo. The activities are based around a core theme. This year the core theme of the event was **“Tribute of India to the World”**. It was about how India as an ancient yet modern successful experiment of Unity in Diversity provides hope to the world in these divisive times. India is a living largest democracy in the world. Home to close to 30 languages officially recognized by the constitution and hundreds of spoken languages and dialects. India is even enriched by its cultural and religious diversity. From Hinduism to Islam, from Buddhism & Jainism to Christianity and Judaism India is home to people following almost all major religions separately and yet forming a unique composite of religious matter sustaining its inherently secular ethos.

This year **Roobaroo was held on 31<sup>st</sup> January and 1<sup>st</sup> February 2020**, during which **approximately 460 students from Mumbai colleges participated in the event**. Various inter-college sports competitions were conducted which included outdoor as well as indoor games. Box Cricket, Table Tennis, Lan Gaming, Carrom and Blitz Chess were some of the main sporting competitions which attracted a good crowd across post-graduate and under-graduate colleges in Mumbai. Cooking Without Heat and Mobile Gaming were some of the newly introduced events of this Roobaroo. In addition competitions on many innovative cultural and creative activities like: Rangoli, Mehendi, Nail Art, were organized that encouraged good participation from other colleges. Besides these certain fun competitions like Tug of War, QR Treasure Hunt, 1-Minute Game, Street Play. Snakes & Ladders, Quiz attracted participation.
