Subject: Aptitude Training Proposal for MCA and MMS

Follow Up Flag: Follow up
Flag Status: Flagged

Dear Girish Sir,

We can have 3 Days of Aptitude Training just the way we had it last year.

We can have two days of teaching along with one day of paper discussion.

Topics to be covered

Quantitative Aptitude

Percentages, Profit and Loss, Equations, Partnerships, Averages-Mixture and Alligation, Time and Work.

Reasoning Ability

Number series, Coding Decoding, Blood Relations, Analytical Puzzles, Data Sufficiency.

Data Interpretation

Tables, Bar Graphs, Line Graphs

Along with above topics, Online Course access of approx 65 hours will be shared with all the students with one year access.

The online course access covers all the other topics also along with the above mentioned topics.

Other Training details-

- 1) Charges will be **Rs.825 per student** for the 18 hours training program.
- 2) Material cost is already included in the above mentioned charges.
- 3) One year access to video course is included in the fees.
- 4) 5 Papers and it's discussion is also included in the fees.

Feel free to revert for any queries.

Regards,

Analy

Placement Annual Report for the Academic Year 2023-2024 (MCA & MMS)

The activities of the placement cell during the year 2023-24 include collecting the record of the students and compiling them for use when needed. The cell is focused on arranging various training and development programmes, seminars, and activities for the students to groom them for the smooth transition from classroom to corporate. The Placement Cell provides information to the students on job queries and placements in different organizations.

The placement cell had arranged a session on General and Technical Aptitude, Psychometric analysis, Group Discussion, Mock Interviews, and Personality Development. In these sessions' students got to know their inclination and area of interest towards specific domain and basic grooming techniques. Specially designed aptitude sessions and assistance was provided by Mudraa Careers, Talent Battle, MEET CS and faculty members to make them competent enough.
